# About Our Foundation

The Gegeen Urug Foundation was initially named Munkh Global Od Organization, a non-governmental organization, and officially changed its name to Gegeen Urug Tselmuun Foundation in 2024. Established in 2015, the Gegeen Urug Tselmuun Foundation is a philanthropic initiative dedicated to empowering Mongolian orphans and half-orphans. We provide access to internationally recognized education, bridging the gap between local and global academic standards. Through this foundation, we reaffirm our commitment to making a positive impact on our community and contributing to the betterment of education in Mongolia.
